## Toileting Experiences

- Your child needs to be toilet trained before starting Preschool.
- School staff will give minimal assistance when students need help with toileting.
- Students should also be able to dress and undress themselves.
- Every preschooler needs to have a change of clothes and wipes that will be kept in the classroom.

## Arrival/Dismissal

At Suffah Academy, we take your child's safety very seriously and we have procedures in place to make the arrival and dismissal times safe for all students.

### Student Arrival

- School begins at 9:00 A.M. Parents can drop their child in their class between 8:45 and 9:00 AM.
- School doors will be open at 8:45 AM.
- Students will be considered tardy after 9:15 AM.
- Students may not be dropped off but must be signed in by the parent/guardian or a carpool driver.
- Please do not drop off your child/children early, unless you are registered for extended hours.
- Students are not to be left unattended anywhere on the Mosque or school premises.
- If a student is planning to arrive late, school should be informed by texting or calling 610-207-8973 and leaving a message for the Office Professional.

### Student Dismissal

- Parents pick up children from the classroom between 3:15 – 3:30 PM.
- If you are late, please send a text to Suffah Academy (610-207-8973) with details.

- Suffah Academy will not allow any child to go home with anyone who is not listed as an authorized pick-up person. The school will not be able to accept oral requests to have students picked up by someone not authorized. Once a student has been dismissed to an authorized individual, as stated above, Suffah Academy is no longer responsible for him/her.
- Students will not be allowed to remain in the school building after dismissal unless they are involved in an organized after school activity.
- Any parent who fails to ensure that his or her child/children are properly supervised after dismissal may jeopardize his/her child's/children's enrollment at Suffah Academy.

- The parents, guardians or carpool persons must pick up the student at the specified closing time.

### Late Pick-up

- If a student is not picked up by 3:30 PM he/she will be placed in aftercare. A late fee \$25 per day will be charged for students who are picked up more than five minutes after the above time unless the parent made arrangements with the school.
- In the event that a parent, or person authorized by the parents, fails to pick up a student or contact

the school for lateness within twenty minutes of dismissal time, an office staff member will make a reasonable effort to call the parents/guardians, and then the emergency contact numbers. As a last resort the office will contact the police. A note stating the whereabouts of the child will be left on the door of the school building.

## Attendance Policies

The State Law of Pennsylvania requires that all children between the ages of six and sixteen attend school regularly. Regular attendance is important if a student is to succeed in school.

- If a student will be absent from school, the parents of the student are to inform the school office before 8:30 AM in the morning by sending a text 610- 207-8973 or email to admin@suffah.academy
- When the student returns to school, his/her absence should be explained in writing by the parent/guardian on the Student Absence Form or by a doctor's note. This must be provided to the school on the same day the student returns to school.
- Doctor or dental appointments should not be scheduled during school hours whenever possible. If it becomes necessary to schedule an appointment during the school day, a note should be submitted to the school office at the latest by 8:30 AM of that day to request for an early dismissal. The note must have a phone number where the parent or guardian may be contacted to verify the request. A parent may also call the Principal Office to arrange for an early dismissal.

- If the student absence form or a doctor's note is not sent to school when a student returns, the absence will be considered an unexcused absence.
- If a student is absent from school for more than two days, it is the responsibility of the parent to contact the office and pick up missed homework assignments.

**Extended Absences:** Family trips and other non-school activities should be planned so they do not interfere with school attendance. Since a student's presence and participation in class is essential to his or her success, the potential impact of an extended absence must be seriously considered.
